many forms expressing One Life

Foundations: The Science of Mind Foundational Course

The best of your life is about to begin! Here's the course that has helped thousands of people reclaim their joy. This is the entry-level class in the study of Science of Mind.

In this class you will:

- Learn how thoughts and feelings combine to form beliefs and shape your life's experiences
- Discover how spiritual mind treatment (affirmative prayer) works in every area of your life
- Gift yourself with a delightful, nurturing experiential playshop
- Share your creativity in an artistic, musical or literary project at the closing celebration
- Connect with a group of other like-hearted people to form lifelong friendships. The course is pure magic: just ask any of the people who've taken it!
