

Louisville Center for Spiritual Living

many forms expressing One Life

***This Thing Called You* by Ernest Holmes**

Course Overview

This Thing Called You is a course in practical spirituality for dynamic living. This is an exploration of an expanded and empowered life. Discover your individual place in the universal scheme of things and find out how your personal relationship to the Creative Power can open doors to fulfillment in your daily experience. Learn powerful, practical spiritual tools for everyday living. Transcend old beliefs for a new dynamic experience of life. Experience your essential spirituality and find a **greater you** than you may realize.

Course Purpose

To explore and experience our spirituality in ways we can apply our daily lives.

Course Objectives

- To explore the aspects of our being by which we express our uniqueness.
- To identify and experience our connection to the Divine.
- To learn to apply our spiritual insights to our daily lives.
