TURNING USED SHOES
INTO WATER**

SIMPLE STEPS TO TURN SHOES INTO WATER!

- Gather shoes in any condition and pair them together.
- Visit our website to find the shoe drop location nearest you.
- EDGE OUTREACH collects the shoes and sells them to an exporter, keeping them out of our landfills.
- ALL funds received go toward funding the mission of EDGE: empowering ordinary people to provide clean, safe water around the world. 86¢ of every dollar collected goes directly into our program services.
